St. Agatha Catholic Church & School

September 5, 2014

Please accept my invitation to attend the 3rd Annual Friends of St. Agatha Benefit Dinner.

For over 100 years, St. Agatha School has offered families an opportunity to provide a faith-based education for their children -- regardless of financial means. For the past 33 years, the Friends of St. Agatha has been critically essential to the school's existence. Simply put, our school would not exist if not for FSA and its supporters.

If you are one of the many generous donors to the trust, I ask that you continue your support by attending this event. If you are unfamiliar with the Friends of St. Agatha, I encourage you to join us on October 5th to learn more about the financial backbone of our great school.

This year's dinner is particularly important as our new principal, Mr. Chris Harris, will be in attendance to present our shared vision for St. Agatha's future. By attending the dinner, you will help support that vision of keeping a St. Agatha education accessible and affordable to Catholic families while striving to make that education the finest available.

Our children are our most important legacy and are the future of the Church. Please join us and help ensure that St. Agatha's future is as blessed as our past.
